

INSTRUCTIONS TO FILE AN APPLICATION FOR THE BOARD OF ZONING APPEALS

The Hamilton Board of Zoning Appeals (BZA) hears appeals for variances from the Hamilton Zoning Ordinance (HZO) provisions.

An appeal shall be considered filed when the application is completed, signed and received by the Planning Department office along with all required information and fee.

Be sure to fill in all appropriate blanks on the application. All information should be typewritten or printed legibly in ink, and signed by the applicant or their authorized representative.

If sufficient space is not available on the form to provide information or answer a question, please attach 8 1/2" x 11" sheets to each copy and make specific reference to the question being answered.

Make certain that each page of information presented contains your name and the address and lot number of the property concerned. The Planning Department may waive the submission of any information not relevant to the hearing of the appeal.

If you wish to subpoena any witnesses, a written request should be made to the Chairman at least five (5) days before the scheduled hearing. You will have to pay all costs incurred to subpoena any witnesses.

The application should include:

- One **completed** appeal application
- One copy of plans no larger than 11" x 17" as submitted for zoning review
- One copy of all written supporting information

A fee of \$200.00 shall accompany each appeal for variance(s).

If applying to the BZA, the applicant, along with the owners of all property within 100 ft. of the property in question will be notified of the date, time and place of the public hearing.

HEARING PROCEDURE

You, as the appellant, or your representative, should be present at the meeting in order to have the case considered.

- Planning Department Staff will present and explain the case.
- You, or your representative, may then present any information or testimony relevant to the appeal.
- The Board will then hear from any other interested parties.
- After considering all information presented, the Board will then render a decision.
- The Secretary will inform the appellant by letter as soon as possible of the decision of the Board. Such decisions shall not become final until the expiration of five (5) days from the date such decision is made, unless the board shall certify otherwise.

If you proceed with the project on the basis of the Board's decision or in accordance with the HZO, whichever applies, you must then submit to Construction Services proper drawings and specifications for the project to obtain the necessary building permits.

No approval of the Board permitting erection or alteration of a building or use of a building or premises is valid longer than six (6) months unless a building permit for such erection or alteration is obtained and the work is started within such period. Or, where no erection or alteration is necessary, the permitted use is established within such period, or an extension is requested in writing and granted by the Board.

Copies of the Hamilton Zoning Ordinance (HZO) and zoning map are online at hamilton-city.org or may be obtained from the Planning Department for a fee of \$10.00 each.
